### About This Game

Of course, the universe was not created in a day. You'll have to work your way up from simple microorganisms and elements to more complicated animals, tools and even armies. Creator beware, this kind of power may have unintended consequences as creating something as harmless as the wheel could lead to a zombie plague. Fortunately, you are not alone on this cosmic journey. The greatest philosophers and comedians of all time are here to impart their wit and wisdom to help you on your way.

If you loved the award winning Doodle God or any of the games in the Doodle series, you'll have to try the new Doodle God Genesis Secrets. Players of all ages will enjoy a hidden object game mode with a unique Doodle God twist! Create an entire universe by mixing and matching different combinations of earth, wind, air and fire.

- New Hidden Object mode offers a twist!
- New Visual Planet mode see your planet come alive!
- Create 300+ advanced items and concepts
- Hundreds of funny and thought-provoking quotes
- New achievements
